

Humanitarian packages to the residents of Stajkovci village by Silk Road Bank AD Skopje

On August 10 2016, Silk Road Bank AD Skopje donated humanitarian packages to the residents of Stajkovci village, who were severely hit by the ravaging floods this weekend. To assist the relief and rebuilding efforts of our fellow citizens, the Bank donated safety and other equipment after previous consultations with the residents of the village. Packages were delivered within the same day in order to ensure that these means were distributed directly and immediately to those who needed the most.
